TIPS ON CALLING AN AGENCY FOR MENTAL/BEHAVIORAL HEALTH SERVICES

- Step 1: Pick an agency you would like to call from the attached list.
- Step 2: Pick up the phone and dial the number.
- Step 3: Let the person on the phone know that you want to know more about their services.
- Step 4: Ask if they have (whatever type of help you need) services.
- Step 5: Ask about how much the services cost. Ask if they have a sliding fee scale (where you only pay what you can afford).
- Step 6: If they offer the services you need, ask to make an appointment.
- Step 7: Verify the time and day of appointment, the name of the person you will meet, and the address of where the appointment will be held.
- Step 8: Ask any other questions you may have then thank the person for helping you.

Phone: (602) 506-6900
(http://www.maricopa.gov/public_health/HotTopics/Rx/rx.aspx)

The Maricopa County Board of Supervisors has launched a discount card program to help consumers cope with the high price of prescription drugs. Maricopa County is making free prescription drug discount cards available under a program sponsored by the National Association of Counties (NACo) offering a substantial savings off the retail price of commonly prescribed drugs. The cards may be used by all county residents, regardless of age, income, or existing health coverage, and are accepted at well over 80% of the county's pharmacies.

Cards are available at 35 sites county-wide, such as Maricopa County Public Libraries, and the Maricopa County Public Health Department Clinic and WIC locations. Discount Cards are also available at Maricopa County's three Animal Care & Control Pet Adoption Centers. (The card can be also be used for certain pet prescriptions available at pharmacies). Cards are also available at Fulton Homes locations in the Valley, and at the Dolce Vita Retirement Community in the Apache Junction area. If you can't make it to one of our locations, e-mail us at: askmc@mail.maricopa.gov to request one and we'll mail you a card.

County residents can call toll free 1-877-321-2652 or visit Caremark Online at: <http://www2.caremark.com/naco/> for assistance with the program. Using the NACo prescription discount card is easy. Simply present it at a participating pharmacy. There is no enrollment form, no membership fee and no restrictions or limits on frequency of use. Cardholders and their family members may use the card any time their prescriptions are not covered by insurance.

Find A Health Center Webpage: <http://findahealthcenter.hrsa.gov/>

Federally-funded health centers care for you, even if you have no health insurance. You pay what you can afford, based on your income. Health centers provide

- checkups when you're well
- treatment when you're sick
- complete care when you're pregnant
- immunizations and checkups for your children
- dental care and prescription drugs for your family
- mental health and substance abuse care if you need it

Health centers are in most cities and many rural areas. Go to <http://findahealthcenter.hrsa.gov/> Type in your address and click the 'Find Health Centers' button to find health centers near you.

IV. Community Health Centers

The Community Health Centers (CHCs) and the Sliding Fee Community Clinics provide “Primary Care Services” to any person regardless of whether they have insurance or not.

Payments

Eligible patients will pay for the services they receive on a sliding fee scale basis. A sliding fee scale shows how much a person will have to pay for the care they receive at the clinic. The scale is a discounted rate for the cost of the service based on how much money the person earns.

Patients are asked to pay only for the services they receive at the clinic at the time the services were received.

Sliding fee scales AND services may differ from clinic to clinic. Below is a sample* sliding fee scale:

Income Range	Sliding Fee Scale
0%-100% FPL	Patient pays 25% of service cost
101%-150% FPL	Patient pays 50% of service cost
151%-200%FPL	Patient pays 75% of service cost
Above 200% FPL	Patient pays full cost of service

*NOTE: This scale is an example and may differ from clinic to clinic.

You are not alone.

Support groups provide a forum for mutual acceptance, understanding and self-discovery. Peer Support Groups provide free information, education, empowerment, and support to adults diagnosed with a mental illness as well as their family members and loved ones. While Peer Support Groups should not be considered as a substitute for treatment, they can often be a complement to treatment.

There is no charge or registration requirement to attend MHA's Peer Support Groups. Because this listing is updated periodically and the groups are subject to change, you are encouraged to contact us at (480) 994-4407 to verify meeting times and dates. The peer support groups are facilitated by trained mental health consumers and focus on adult consumer issues.

Call Before You Attend...

If this is your first time attending a group, please call us to be sure the meeting day/time has not been changed. Call MHA AZ today at (480) 994-4407.
